Advantage

MaineHousing's down payment and closing cost assistance option provides \$3,500 toward the cash needed for closing. Applicants choosing Advantage must take a hoMEworks-approved homebuyer education class prior to closing and must make a minimum borrower contribution of 1% of the loan amount.

Salute ME

Qualified active duty, veterans, and retired military will receive a .25% discount to our already low fixed rate. The program also waives the first time homebuyer requirement for veterans who may have previously owned a home.

Mobile Homes

Eligible properties are 20 years old or newer single- and double-wides on owned land or leased land. Loan term will be 20, 25, or 30 years depending on the age of the mobile home. Mobile homes with loan-to-values between 80% and 95% will be financed at the Mobile Home Self-Insured rate (SEE ABOVE). **Mobile homes with LTV's ≤ 80% are financed at the base First Home or Salute ME rate.**

Pre-1976 Mobile Home Replacement Initiative

The Initiative provides the combination of an amortizing, interest-bearing MaineHousing mortgage loan with a maximum LTV of 80%, and a \$30,000 MaineHousing grant with a 10 year occupancy compliance period. The Initiative will replace the pre-1976 mobile home with a new Energy Star® certified manufactured home on the same site. The Initiative will be available

Annual Percentage Rate (APR)

Annual Percentage Rate (APR) is the cost of credit stated as a yearly rate. The APR calculation is based on a \$100,000 loan for a 30-year term and includes points and mortgage insurance fees collected on a Rural Development loan. The actual APR may be higher depending on additional mortgage loan fees the MaineHousing lender charges the borrower.

Monthly Payment Factor

Multiply the Monthly Payment Factor by the number of \$1,000's in your loan to get the estimated principal and interest payment. Your actual monthly payment will include escrowed property taxes and insurances and therefore will be higher.
