1. What is the Housing Choice Voucher Homeownership Program?

This program is designed to assist families in reaching the dream of homeownership, while having the security of the Section 8 Program. The program allows the monthly assistance payment to be used to cover mortgage and other homeownership costs.

2. How do I know if I am ready for Homeownership?

Non-housing expenses include such long-term debts as cars, student loans, alimony or child support. The lender also considers cash available for down payment and closing costs, credit history, etc. The lender will pre-qualify you for a loan based this information. MaineHousing will not allow you to pay any more then 40% of your monthly adjusted income towards your total housing expense.</p>
