a. Loan Eligibility. In order to be eligible for a subsequent loan under the Program the project must be subject to a mortgage and security agreement securing a MaineHousing loan as of the date of submission of this application OR must have had MaineHousing financing within a six-month period prior to application. Additionally, the MaineHousing loan must be in good standing.

b. Borrower Eligibility. Any entity with an eligible loan in good standing, which is secured by a first mortgage and security agreement project is eligible to apply under the Program.

No application for the Program will be considered or approved if the borrower, any of its principals, any entity controlled by the borrower, any affiliates or any guarantor of a borrower's loan obligations (i) is in default or violation of any obligation to MaineHousing; (ii) has been more than 60 days delinquent on any loan with MaineHousing in the past year or has been issued a notice of default or loan document violation in the last 6 months, unless an approved payment or workout plan is in place and in good standing; or (iii) was the owner of a MaineHousing financed project upon which MaineHousing foreclosed.

Borrowers and their contractors and agents will be required to certify that they are not so classified.

MaineHousing may direct applicants to other financing programs for any proposed capital improvements, as it deems appropriate.

MAINEHOUSING WILL IN ITS SOLE DISCRETION MAKE THE FINAL DETERMINATION REGARDING WHETHER OR NOT EACH LOAN AND BORROWER IS ELIGIBLE FOR THE PROGRAM.

For any proposed changes in ownership, the proposed owner must demonstrate sufficient knowledge, experience and capacity in the development of projects of similar scale and complexity, as determined by MaineHousing. Any commitments by MaineHousing under this program involving an ownership transfer or prepayment of a United States Department of Housing and Urban Development ("HUD") financed loan will be subject to HUD's consent. Borrower must agree to comply with any additional HUD requirements as a condition of MaineHousing financing.

Conflict of Interest:

To maintain the continued confidence of Maine citizens in carrying out our joint mission to assist Maine people in obtaining and maintaining quality affordable housing, MaineHousing Partners must avoid situations which are, or appear to be, at odds with their responsibilities to MaineHousing. Maine law and federal regulations (when federal funding is involved) govern conflicts of interest.

Applicants must review MaineHousing's Conflict of Interest Policy for MaineHousing Partners and complete the Disclosure Form as part of the Application, which is attached hereto.

Conflict of Interest Policy – MaineHousing Partners *

To maintain the continued confidence of Maine citizens in carrying out our joint mission to assist Maine people in obtaining and maintaining quality affordable housing, MaineHousing Partners must avoid situations which are, or appear to be, at odds with their responsibilities to MaineHousing. Maine law and federal regulations (when federal funding is involved) govern conflicts of interest.

MaineHousing Partners must ensure that **no** person who is an employee, agent, or consultant of the Partner – *and* who performs any functions with respect to any MaineHousing program – may obtain a personal or financial interest or benefit (other than their earnings) from MaineHousing programs, either for themselves or for those with whom they have family, business, or close personal ties. As soon as the Partner becomes aware of a potential conflict of interest:

- The Partner must disclose to MaineHousing all personal and business relationships between Partner's employees and any contractors, agents, or consultants who work on MaineHousing programs.
- The Partner must disclose to MaineHousing all employees (including temporary employees and volunteers) of the Partner who are applicants for MaineHousing programs administered by the Partner.
- The Partner must disclose to MaineHousing anyone who will be paid for work on MaineHousing programs who is a current or former MaineHousing employee or commissioner – or has family, business, or close personal ties with a current or former MaineHousing employee or commissioner (within the last year.)

Conflict of Interest Definitions

A ***conflict of interest*** arises when the personal interest of an employee (or a family member, friend, or business associate of the employee) conflicts or potentially conflicts with the employee's work duties or responsibilities to MaineHousing. Conflicts of interest can occur when actions may be improperly influenced by a secondary motive, such as:

- financial gain,
- professional advancement, or
- desire to do favors for family and friends.

An ***appearance of a conflict of interest*** exists if circumstances are believed to create a risk that decisions may be improperly influenced by other motives. It is important to note that a conflict of interest may exist, regardless of whether any unethical or improper act has taken place.

A ***direct interest*** occurs when the employee individually, or through a majority stakeholder position in an entity, owns or is a party to any contract, business agreement, project, or property. Individuals with management, control or other decision-making responsibilities, or voting rights for an entity, are also considered to have a direct interest.

* This policy applies to all individuals and organizations who receive funding from or who have a business or contractual relationship with MaineHousing. Pertinent partners include, but are not limited to: Grantees, Subgrantees, Sub-recipients, Community Action Agencies, Shelters, Developers, Applicants, Contractors, Administrators, and Vendors.

An **indirect interest** occurs when family members, friends, or business associates of the employee have ownership or contractual rights in any contract, business agreement, project, or property. Shares in an entity by the employee or commissioner through an investment vehicle, a trust or estate arrangement, mutual fund, or other intermediary also meets the definition of an indirect ownership interest. Additionally, any ownership interest in a related entity (such as a parent company or subcontractor) that plans to do business with MaineHousing is considered an indirect interest.

Family members are defined broadly, and include spouse/partner, mother, father, son, daughter, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother, sister, brother-in-law, sister-in-law, nephew, niece, uncle, aunt, first cousin, grandparent, grandchild. Family members also include all "half" or "step" relatives (e.g. half-brother or step-daughter).

Conflict of Interest Procedures

Personal or Business Relationships Involving Employees

As soon as a Partner becomes aware of a personal or business relationship involving an employee that could give rise to perceived partiality, an appearance of a conflict of interest, or an actual conflict of interest in connection with MaineHousing programs, **the Partner shall disclose the relationship to MaineHousing in writing, with a description of the Partner's plan to manage the potential conflict.** Once reviewed and approved by MaineHousing's Internal Auditor, the plan must be signed by the employee and representative(s) of the Partner and submitted to MaineHousing. Plans must be reviewed and re-signed once a year.

Employees as Applicants for MaineHousing Programs

If eligible, Partner employees (including temporary staff and volunteers) are encouraged to apply for MaineHousing programs administered by the Partner. However, **in advance of a benefit being paid**, approval of any program application by a partner employee **requires two levels of signature**, including the Director or other Senior Executive of the Partner.

Copies of signed applications must be submitted to MaineHousing, and maintained by the Program Department in accordance with required Records Retention periods. The Partner must also retain original signed and approved applications in accordance with required Records Retention periods.

Compliance with the Partner Conflict of Interest Policy and Procedures will be monitored by MaineHousing staff and subject to periodic program audits.

If you are unsure whether a situation constitutes a conflict of interest, please consult with your contact at MaineHousing, or email MaineHousing's Internal Auditor, Kimberly Whitley, at kwhitley@mainehousing.org.
