The 2025 Annual Plan amendments are:

1. Adds \$1,267,575 of FFY2025 RHP funding.
2. Additional Applicant Evaluation Criteria - Owner Capacity. Extent to which owner entity has administrative and financial capacity to operate the project for long term.
3. Updates Citizen Participation to include 2025 public comment period of 15 days beginning July 9,2025 and ending on July 25,2025, with a public hearing to solicit input on the Recovery Housing Program Plan occurring on July 17, 2025.

The purpose of the Recovery Housing Program (RHP) is to provide stable, temporary housing (up to 24 months) to low- or moderate-income persons in recovery from a substance use disorder. The RHP is authorized under Section 8071 of the SUPPORT for Patients and Communities Act and is a pilot program. Section 8071 requires RHP funds be treated as Community Development Block Grants (CDBG) funds, with certain waivers and alternative requirements. The State of Maine received RHP funding because it has an age-adjusted rate of drug overdose deaths above the national overdose mortality rate, according to the Centers for Disease Control and Prevention.

MaineHousing, in partnership with the Maine Department of Health and Human Services' Office of Behavioral Health (OBH), has identified a need for additional

housing for individuals exiting recovery residences, as well as individuals for who a recovery residence may not be an appropriate setting. RHP funds will be awarded by MaineHousing to one or more entities to produce, preserve and/or rehabilitate rental housing.

Funds will be made available through an application process to ensure all HUD requirements are met. Applicants must demonstrate an ability to operate the housing and directly or indirectly provide recovery related services for participants. Operating and service funds are not provided with RHP funding. Suggested services include case management, direct connection to peer support, clinical addiction services, employment, vocational and educational opportunities, assistance with social, personal and living skills and mental health services.

**Resources:**

MaineHousing will make available \$1,330,273.65 of RHP funding. No program income or other federal program funding are expected to be available for RHP eligible activities.
