2022 Community Solutions Grant

Request for Proposal
2022 Community Solutions Grant

Purpose

MaineHousing’s 2022 Community Solutions Grant provides matching grants to municipalities, ethnic and community-based organizations, or Native American tribes in Maine that are taking a lead role in creating or preserving affordable housing in their communities. The grants are flexible and locally driven; each successful municipality, organization or tribe determines how best to address their affordable housing needs.

Program Overview

Municipalities, ethnic and community-based organizations, or tribes may request up to $500,000 in Community Solutions Grant funds for the creation or preservation of affordable housing units. Applicants must demonstrate a commitment to address their community’s affordable housing needs. Grantees must partner with other entities and commit municipal or tribal resources. Applicants from communities with public housing authorities are encouraged to partner with their public housing authority in developing a proposal. Interested parties are invited to submit a thoughtful proposal offering a clear solution to their community’s identified housing needs.

Municipalities, ethnic and community-based organizations, or tribes must demonstrate that they are bringing additional resources to the table with a value equal to or greater than the amount of the Community Solutions Grant requested. Such resources may include without limitation personnel, other in-kind contributions, and additional funds. In the 2022 program, MaineHousing will give preference to proposals that include local or county American Rescue Plan Act of 2021 (ARPA) funds to support eligible affordable housing.

Use of other MaineHousing programs such as the First Home Loan Program (MaineHousing has flexible requirements for homebuyers of 1-4 unit properties), the Lead Paint Hazard Remediation Programs, the Arsenic Abatement Program, the Home Accessibility and Repair Program, Public Housing Authorities’ Short Term and Permanent Financing Demonstration Programs, the Community Aging in Place Grant, and Housing Choice Vouchers is encouraged. See MaineHousing’s website (www.mainehousing.org) or contact Clyde Barr (207) 624-5772 for MaineHousing program information.

Funding requires compliance with state and local laws, including the Growth Management Law, commitments from any other funding sources, a final budget, and other documentation reasonably required by MaineHousing. MaineHousing may suspend or terminate this program at any time, reject or cease processing any application prior to issuing a Grant Agreement, and award all, a portion, additional, or none, of the available funds.
