

**Payment Request Certification Addendum**

**PURPOSE:** This “Payment Request Certification Addendum” is used to certify that, as required by federal law, project components listed in the Payment Request attached meet the requirements of the Build America, Buy America Act (BABA) and are consistent with the approved Construction Materials Spreadsheet. Attach this form to all Payment Requests for qualifying HUD projects.

**REQUIREMENTS:** BABA requires that all iron, steel, manufactured products, and construction materials used for federally funded infrastructure projects are produced in the United States, unless otherwise exempt or subject to an approved waiver. For projects subject to BABA the following requirements apply:

- All the iron and steel products used in the project were manufactured, from initial melting through application of coatings, in the United States.
- All construction materials were manufactured in the United States.
- The final product of all manufactured products were manufactured in the United States **AND** at least 55% of the cost of the product came from components that were mined, produced, or manufactured in the United States.

The above requirements can be waived for a portion of the materials used in a project if the cost of those materials comprises no more than 5% of the total cost of the iron, steel, construction materials and manufactured products used in the project (not to exceed \$1,000,000).

*For more information please see the Build America, Buy America Act (BABA), as defined in 2 CFR § 184.3 as division G, title IX, subtitle A, parts I-II, sections 70901 through 70927 of the Infrastructure Investment and Jobs Act (Pub. L. No. 117-58), all applicable rules and notices, as may be amended, and MaineHousing’s Build America, Buy America Compliance and Implementation Plan.*

**CERTIFICATION:** I hereby certify the products installed/to be installed pursuant to the attached Payment Request meet the requirements of the Build America, Buy America Act and are consistent with the approved Construction Materials Spreadsheet submitted for this project. I further certify that the current De Minimis calculation is below the 5% threshold. I understand that any falsification, misrepresentation, or omission of information may result in federal and state criminal and civil actions.
