

DOE BUY AMERICA, BUILD AMERICA (BABA) SELF-CERTIFICATION

_____ (contractor name, hereinafter known as “Contractor”) must comply with the requirements of the Section 70914 of the Infrastructure Investment and Jobs Act, and all applicable rule and notices, as may be amended. Pursuant to DOE’s Memorandum, reissued February 23, 2024, “Weatherization Assistance Program “Build America, Buy America” Requirements – Revised”, awards made by the DOE Weatherization Assistance Program after May 14, 2022 are subject to BABA requirements, unless excepted by a waiver. This only applies to weatherization on public housing or on privately owned buildings that serve a public function.

The Build America, Buy America Act (BABA) requires that all iron, steel, manufactured products, and construction materials used for federally funded infrastructure projects are produced in the United States, unless otherwise exempt or subject to an approved waiver. Please see MaineHousing’s Compliance and Implementation Plan for Build America, Buy America for more information.

For all projects subject to BABA, the Contractor **will submit the DOE Build America, Buy America Construction Material Spreadsheet and certify**, to the best of his/her knowledge and belief (check all that apply):

- All the iron and steel products used in the project were manufactured, from initial melting through application of coatings, in the United States.
- All construction materials were manufactured in the United States.
- The final product of all manufactured products were manufactured in the United States **AND** at least 55% of the cost of the product came from components that were mined, produced, or manufactured in the United States.
- Some or all iron and steel, construction materials and manufactured products used in the project were not produced in the United States and the following waivers were obtained:
 - Public Interest Waiver dated: _____
 - Nonavailability Waiver date: _____
 - Unreasonable Cost Waiver dated: _____

Furthermore, the Contractor certifies, to the best of his/her knowledge and belief certifies:

1. All of the requirements of BABA have been complied with and products have been properly classified to the best of my ability.
2. All supporting documentation certifying that products are BABA compliant has been provided to MaineHousing.

The Contractor certifies or affirms the truthfulness and accuracy of each statement of this certification.
