Application ID: _____

Application Date: _____

Your Program Year 2026 Home Energy Assistance Program (HEAP) application has been inactivated because your original signed application was not received in our office within 30 business days from the date of your phone interview.

To have your application reactivated, please submit your original signed Application to the Community Action Agency (CAA) that is listed above. If you no longer have the original Application, you must reschedule your appointment prior to the end of the program year by calling the phone number listed above.
