

Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.
- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHDP Renewal; and
- YHDP Replacement and Reallocation.
- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New and Renewal Project Listings – all CoC project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.
- Project applications on the following Project Listings must be approved and are not ranked per the FY 2024 - FY 2025 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- YHDP Renewal Project Listing (All Rounds); and
- YHDP Replacement and Reallocation Project Listing.
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked or approved BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

As stated in the FY 2024 - FY 2025 CoC Program Competition NOFO:

Reallocated YHDP funding can ONLY be used to create new YHDP projects.

- If a CoC reallocates funding from a renewal project that was previously awarded DV Bonus funding, any new project created with such funding must be 100 percent dedicated to serving individuals and families of persons experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking who qualify under the definition of homeless at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act.

MCOG Ranking Protocols:

- **Scored Projects:**
 - Renewal Projects are ranked in order according to Score and placed starting at the top of Tier 1.
 - New Projects are ranked in order according to Score and placed below all renewal projects.
- **Exceptions for Renewal Projects:**
 - HMIS Renewal is ranked as the last fully funded project, at the bottom of Tier 1 (not placed on the Tier 1/Tier 2 line).
 - First-Time Renewal Projects: in recognition of possible delays and the difficulties of starting a new project, First-Time Renewals will be placed in Tier 1 above HMIS in order according to score among other First-Time Renewals - UNLESS their original score would have placed them higher on the list.
 - YHDP Renewal/Replacement Projects – These projects are considered to be ‘non-competitive’ in this round. They will be evaluated for meeting basic eligibility and threshold requirements by the CA, but will not be scored or ranked.
 - Planning Grant – this project must be reviewed and approved, but will not be scored or ranked.
- **Ties**
 - In Tier 1, tied projects are ranked by dollar amount, from largest to smallest.
 - In Tier 2, tied projects are ranked by dollar amount, from smallest to largest.
- **Tier 1/ Tier 2 Split:**
 - If a Project falls on the line between Tier 1 and Tier 2, and HUD does not have sufficient funds to cover the Tier 2 portion, they will make a determination as to the viability of the project based on the Tier 1 amount alone. Therefore, if a project is split between Tier 1 and Tier 2, MCOG reserves the right to adjust their ranking in order to maximize the potential funding.
- **Adjustments**
 - Bonuses: MCOG reserves the right to adjust the ranking of any project in order to take advantage of Bonus Funding or Bonus Points made available by HUD.
 - Gaps and Needs: MCOG reserves the right to adjust the ranking of any project in order to better address clearly identified gaps and/or needs in our homeless response system.
 - Priorities: MCOG reserves the right to adjust the ranking of any project in order to better address clearly identified HUD or MCOG priorities.
