¹A snapshot of households served by town was taken on 3/2/2012 in order to provide data by congressional district, and therefore, household and funding amounts may not add up to the total number of households served or total funds spent during 2011.

²Includes 11 home rehab projects.

³Data is for the 10-11 Heating Season (10/2010 - 9/2011).

⁴Includes \$3,044,621 for the Portland Continuum of Care, \$1,451,977 for the Bangor/Penobscot County Continuum of Care, and the remaining \$6,055,008 is divided throughout the state through the Maine Balance of State Continuum of Care.

⁵Program eligibility depends on household size and other criteria, as well as income. Program eligibility details available at www.mainehousing.org. AMI is Area Median Income.

Maine housing costs have outpaced incomes

Statewide

These charts show relative increases in home prices, rents, and incomes since 2000. Increases in housing costs have outpaced increases in household income.

Sources: The home price data in these charts is derived from the Maine Real Estate Information System (MREIS). Income data is from Claritas. The rental data comes from MaineHousing's quarterly survey of rental costs.
