Program Summary:

The purpose of the Recovery Housing Program (RHP) is to provide stable, temporary housing (up to 24 months) to low- or moderate-income persons in recovery from a substance use disorder. The State of Maine has been allocated a total of \$2,745,940 in RHP funding from the US Department of Housing and Urban Development (HUD). Allocations have been awarded for FY 2020 to FY 2022 (FY 2020 - \$951,000, FY 2021 - \$860,778 and FY2022 - \$934,162). The RHP is authorized under Section 8071 of the SUPPORT for Patients and Communities Act and is a pilot program. Section 8071 requires RHP funds be treated as Community Development Block Grants (CDBG) funds, with certain waivers and alternative requirements. The State of Maine received RHP funding because it has an age-adjusted rate of drug overdose deaths above the national overdose mortality rate, according to the Centers for Disease Control and Prevention.

MaineHousing, in partnership with the Maine Department of Health and Human Service's Office of Behavioral Health (OBH), has identified a need for additional housing for individuals exiting recovery residences, as well as individuals for who a recovery residence may not be an appropriate setting. RHP funds will be awarded by MaineHousing to one or more entities to produce, preserve and/or rehabilitate rental housing. Funds will be made available through an application process to ensure all HUD requirements are met. Applicants must demonstrate an ability to operate the housing and directly or indirectly provide recovery related services for participants. Operating and service funds are not provided with RHP funding. Suggested services include case management, direct connection to peer support, clinical addiction services, employment, vocational and educational opportunities, assistance with social, personal and living skills and mental health services.

Resources:

MaineHousing will make available \$2,608,643 of RHP funding (an RFP for FY2020 - \$874,924 was released in early 2021). No program income or other federal program funding are expected to be available for RHP eligible activities.

Administration Summary:

MaineHousing has been designated as the Recovery Housing Administrator and primary point of public contact for the Recovery Housing Plan. The Draft Recovery Housing Plan including the 2022 Substantial Amendment can be viewed and downloaded on the MaineHousing website

Use of Funds - Method of Distribution:

MaineHousing will distribute RHP funds through a competitive process by selecting applications that are submitted by eligible recipients. MaineHousing will issue a Request for Proposals to eligible applicants that will assign scoring based upon a combination of the required selection criteria located in FR-6225-N-01 and selection criteria adopted by MaineHousing. All activities identified in the Notice shall be eligible, MaineHousing will prioritize obligating funds for acquisition and rehabilitation of existing housing units, adaptive re-use of existing buildings, and new construction of rental housing units. MaineHousing will retain 5% (\$47,550) of RHP funds for administrative costs and 3% (\$28,530) of RHP funds to provide technical assistance.

Use of Funds - Activities Carried Out Directly:

N/A

Use of Funds - Eligible Subrecipients:

Eligible Subrecipients include not-for-profit organizations, including Indian Tribes. Applicants will need to demonstrate experience, or new capacity, to assist individuals in recovery to attain self-sufficiency and individual recovery goals. Additionally, eligible applicants must demonstrate capacity to comply with RHP program requirements as identified in Notice of FY2020 Allocations, Waivers, and Alternative Requirements for the Pilot Recovery Housing Program (Docket No. FR-6225-N-01) and Notice of FY2021 Allocations, Waivers, and Alternative Requirements for the Pilot Recovery Housing Program.

Use of Funds - Criteria for Evaluation:

Extent to which the applicant will provide housing and services to vulnerable populations. (HUD Criteria One) Applicants will receive points for projects that serve the specific needs of vulnerable populations. The degree of need for the populations served, and appropriateness of plans for providing services to tenants, will be evaluated.

Applicants' ability to obligate RHP funds in a timely manner. (HUD Criteria Two) Applicants will be evaluated on project readiness, including items like local approvals, architectural plans, and site control. Additionally, MaineHousing will consider their track-record for developing projects successfully within a reasonable timeframe.

Applicant's ability to undertake required eligible development activities. Applicants will be evaluated on their development capacity, and experience with public sector housing development programs. Past experience of members of the development team will be considered.

Extent to which the application makes use of additional funding sources. Applicants will be evaluated on the quantity, quality and timeliness of leveraged funding (other than MaineHousing resources) that will be committed to the proposed project. Additional points may be awarded to projects that leverage a greater amount of non-federal funding.

Amount of Federal, State, or local rental assistance to ensure rents are affordable to extremely low-income families. Applicants will receive points for projects that include assistance from other entities, which may include rental-assistance or service contracts for the duration of the project reporting period. Priority based upon underserved areas. MaineHousing will regard the entire State of Maine as the eligible area for purposes of the RHP. However, applicants will receive points for projects that will be developed in locations are underserved.

Merits of the application in meeting the State's housing priority needs. All applications will be required to address one or more of the following Consolidated Plan priorities: Improve and Preserve the Quality of Housing, Expand Affordable Housing Opportunities, and/or Help Maine People Attain Housing Stability.

To ensure that 30% of FY2020 RHP funds are expended within twelve months of MaineHousing's receipt of the RHP grant agreement from HUD, MaineHousing will issue a request for proposals in the fall of 2022. The request for proposals will include timelines and markers to ensure that FY2021 and 2022 RHP funds are expended before the end of the performance period.
